

Dear Fellow Composer/Lyricist/Songwriter:

It's a new world, and opportunities are out there. We're writing because we feel sure that you can benefit from knowing about THE SCL. Have a look.

The SOCIETY OF COMPOSERS & LYRICISTS (SCL) provides a multitude of events and benefits, and now is a great time to join (or re-join) in order to take advantage of all the exclusive upcoming offerings. Isn't it time to do something new for you and your career?

Who We Are. Our membership includes composers and lyricists who work in film, television, video games, and musical theater, as well as those who work alongside composers and lyricists such as music editors, music supervisors, orchestrators, arrangers, agents, attorneys, session musicians, and others. While SCL members include high-profile, experienced composers and songwriters, we enthusiastically welcome those who are new to our industry, and do our best to educate members to prevent their being unscrupulously taken advantage of.

What We Do. We are constantly working to promote and protect the interests and welfare of composers and songwriters through the many relationships and myriad of activities provided by The SCL. We monitor business practices in our industry and offer support and guidance when members have problems. We honor the talented members of our field both past and present. We promote respect for the difficult and creative work our members do. We educate and enlighten our members about the art and craft of writing music and lyrics. We provide opportunities for composers, songwriters and others in our industry to associate with one another.

Your Membership. Your membership fee more than pays for itself in less time than the year the membership fee covers. If you join for two years, you save 10% off your membership right up front. Being part of this wonderful and important community and the value it provides to your career cannot be overestimated. You can easily join online where you'll find the right membership level for you: <http://www.thescl.com/membership>

Visit Our Site: Right now you can visit our calendar of upcoming events at: <http://www.thescl.com/calendar> to see some of the many benefits of SCL membership. Don't pay as a non-member at the many exciting events presented by the SCL, nor miss out on the members-only events and benefits all provided by the SCL. Still not convinced?
